

**SPAY/NEUTER AID PROGRAM  
APPLICATION**

**TALLAHASSEE BIG DOG RESCUE, INC**

Tallahassee Big Dog Rescue (TBDR) is a non-profit organization created to help animals in need and reduce the pet over population. At this time TBDR is able to offer financial assistance for those who would like their companion pets spayed or neutered, but do not have the funds available to do so. In order to help as many pets as possible, we are asking if you are able to make a donation to help with the cost of the surgery then any amount will be appreciated.

This surgery is made possible through the TBDR,s SNAP Program. Thank you in advance for helping enhance the health of your pet and for helping curb pet overpopulation through this surgery.

The SNAP program is not intended for animals currently or those about to go into foster care, adoption programs, rescue or sanctuary programs, or for feral animals. This program is to provide spay/neuter assistance for companion animals belonging to individuals who require financial assistance. NO EXCEPTIONS. It will be null and void if declawing, tail docking, ear cropping, or any other mutilating procedure is to be done at the time of the spaying and neutering.
