

**Santa Pictures for the whole family at “Thrifting  
for Animals and Children”!**

**Santa is Coming to Tallahassee early for 2014!**

Many of you who have loyally supported Tallahassee BDR over the years have also requested the chance to make Christmas Cards from the pictures of your pets and kids taken with Santa, and TBDR is happy to announce that this year we are making that dream come true. Throughout the month of November, Santa will be in town to help you have memorable pictures taken of your family in time to make your Christmas Cards. Bring your family and pets to “Thrifting for Animals and Children” at 3345 North Monroe Street (just north of Walmart) on Sunday afternoons in November from 12-4pm to have memorable pictures made with Santa.

Santa will also appear on Saturday afternoon, November 1, from 1-4pm at “Bannerman Pet Care” on Bannerman Road on behalf of TBDR. Donations of \$10 for each printed and framed 5x7 picture are requested during these visits, but you can obtain all of the pictures which are taken during your session digitally for \$5. And you can also personally take extra pictures as well.

***Thank you all for your support of TBDR, and Merry Christmas!***

***Santa Claus***
